

“How Much Does My Child Ride?”

Each of the camp programs we offer includes a different amount of horseback riding. You will want to consider how many rides you want your child to have as a part of their camp experience when choosing which program is the best for your family and budget. We do recommend you discuss with your child, as not all children enjoy riding to the same degree, and no refunds or credits are given if a child refuses their riding lesson.

Horse Show Participation is limited to campers in the Equestrian Day Camp or Resident Camp Programs

NO Add-on Rides Available

Below you will find a table to help you choose which program will be the best fit for your child.
